

WE'RE **DEARLY** STUDIO, A MICRO WEDDING CHAPEL + SMALL EVENT SPACE

F.A.Q

Is there parking?

Dearly Studio is accessible via train and bus to Union Square. There are also a number of metered and 2-hour parking spots along Somerville Ave and the surrounding areas. Visit unionsquaremain.org for more info.

What's a minimum bar spend?

The minimum bar spend is a contractual obligation to spend a specified amount over the course of your event on drinks. This allows for flexibility as the total can be made up of a singular tab paid by you, or it can be the culmination of your guests' individual purchases on the night. For example, if your venue hire fee is \$550 and your minimum bar spend is \$600, your total event cost is \$1150. However, in this scenario if 20 attendees spend \$30 each in drinks over the course of your event, you are only 'on the hook' for \$550 as the organizer.

What kind of drinks do you serve?

Our standard bar menu consists of: 2x wines, 1x beer, 1x spritz and 2x non-alcoholic options. Let us know if you have a specific request!

Do you offer sliding scale pricing?

We offer community rates for Somerville-based community groups and Boston area nonprofits.
